

## TRACKSPOT

### P90 3PH. 33 930 MB ML BK

The TRACKSPOT P90 series features a clear, timeless design, an integrated driver and an impressive efficiency of up to 170 lm/W. With a color reproduction of CRI>90 and a choice of light colours (3,000 K / 4,000 K), it provides excellent illumination in demanding lighting situations - from shops and supermarkets to reception areas. Three beam angles are available (36°, 47° or 60°) and two body sizes ensure maximum adaptability to different room heights and lighting requirements. Symmetrical light distribution and a UGR of <25 also provide comfortable glare-free lighting. TRACKSPOT P90 is available in black and white and is supplied with a long-life LED module (L80B10, 50,000 h). The robust housing with protection class IP20 and impact resistance IK03 makes it the ideal solution for professional indoor use.

## TECHNICAL DATA

|                                   |                    |
|-----------------------------------|--------------------|
| Item no.                          | 1010591            |
| Number of different light outlets | 1                  |
| IP Code                           | IP20               |
| Impact resistance class           | IK 03              |
| Assembly details                  | Ceiling, Wall      |
| Primary nominal voltage           | 220-240V ~50/60 Hz |
| Secondary power / voltage         | 450-600 mA         |
| Safety class                      | II                 |
| Wattage                           | 17 W               |
| Minimum ambient temperature       | -20 °C             |
| Maximum ambient temperature       | 40 °C              |
| Lumen                             | 2780 / 3660 lm     |
| Colour temperature                | 3000 Kelvin        |
| Beam angle                        | 36 °               |
| Color                             | black              |
